Self Billing

In order to make the commission process easier for you, we would like to operate 'self-billing'. This means that we will issue an invoice on your behalf for every commission payment that we make to you. The VAT on this invoice is your output tax and you should declare it to HMS Customs and Excise ('Customs'), in the same way as the VAT on your sales invoices. GK Telecom will claim the VAT back on the invoices as if you had issued it to us in the normal way.

Before we can start to send you 'self-billing' invoices, you need to confirm that you agree to the below Terms and Conditions by signing the declaration on this application form. This is an agreement to a self-billing procedure between the applicant and GK Telecom UK Limited (VAT number: 810 3148 76).

GK Telecom (the self-biller) agrees:

1. To issue self-billed invoices for all suppliers made to them by the self-billee (the supplier)
2. To complete self-billed invoices showing the suppliers name, address and VAT registration number, together with all the other details which constitutes a full VAT invoice
3. To make a new self-billing agreement in the event that their VAT registration number changes
4. To inform the supplier if the issue of self-billed invoices will be outsourced to a third party

You (the self-billee) agrees:

1. To accept invoices raised by the self-biller on their behalf.
2. Not to raise sales invoices for the transactions covered by this agreement
3. To notify the customer immediately if they: a) change their VAT registration number; b) cease to be VAT registered; or c) sell their business, or part of their business
